The TLC will amend regulations to maximize the passenger-carrying capacity of taxis, for-hire vehicles (FHV), and commuter vans. Amended regulations include:

- Street hails by TLC-licensed vehicles will be permitted at bus stops where regularly-scheduled service is not in operation and at Park-and-Ride and Carpool Staging Areas established by the City of New York;
- Group rides will be permitted and encouraged. TLC-licensed vehicles will be subject to HOV requirements;

TLC will set the authorized maximum rate of fare per person for taxis and FHVs as follows:

Charge	Description
Up to \$10	Initial charge and travel in one fare zone
\$5	Charge for entering another fare zone

TLC will set the authorized maximum rate of fare per person for commuter vans as follows:

Charge	Description
\$5	Charge per person regardless of destination

TLC will set the authorized maximum rate of fare per person to NYC airports as follows:

Charge	Description
\$30	Trips to / from Manhattan and JFK Airport
\$20	Trips to / from Manhattan and LaGuardia Airport
Zone charges	Trips to / from JFK or LaGuardia airports from boroughs other than Manhattan
